

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

MHAIR DEKMEZIAN, MD *Board-Certified Hematopathologist*

Dr. Mhair S. Dekmezian is board certified in anatomical & clinical pathology and hematopathology by the American Board of Pathology. After earning a degree in Biochemistry and Cell Biology in 2008 from Rice University, Dr. Dekmezian received his medical degree from Baylor College of Medicine in 2013. He then completed his AP/CP residency and hematopathology fellowship at Baylor University Medical Center in Dallas, TX. Dr. Dekmezian joined the Sagis Diagnostics team in March 2021 as an experienced Pathologist and Hematopathologist.

With extensive pathology/hematology research training and multiple publications, Dr. Dekmezian still finds time to enjoy computer science, general aviation, and swing dancing. He also speaks fluent Western Armenian.
