

## OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

### **BARRY WHITE, MD**

#### ***Board-Certified Dermatopathologist***

Dr. Barry White is a highly respected Board-Certified Dermatopathologist. With over a decade of experience in the field, he has become a trusted name in dermatology and pathology. He received his medical degree from the Medical College of Georgia in Augusta, Georgia, and continued his training there, completing his residency in anatomic and clinical pathology. Dr. White then completed a dermatopathology fellowship at the University of Texas Southwestern Medical Center.

Dr. White is known for his expertise in diagnosing and treating complex skin conditions, with a special interest in melanocytic lesions. He works closely with dermatologists and other healthcare professionals to provide accurate and timely diagnoses and treatment plans for his patients. Dr. White is also actively involved in research and education, being published in numerous journals, including the Archives of Dermatology and the Archives of Pathology and Laboratory Medicine. Dr. White's compassionate and thorough approach to care stems from his pride in helping patients stay healthy and receive the best care available.
