JORDANA PAINE, MD

Board-Certified Cytopathologist & Hematopathologist

Dr. Jordana Paine is a highly accomplished pathologist specializing in hematopathology and cytopathology. She holds an undergraduate degree from the University of Texas at Austin and earned her medical degree from the University of Texas Southwestern Medical School in Dallas. Dr. Paine's dedication to excellence is evident through her board certifications in Anatomic Pathology, Hematology, Clinical Pathology, and Cytopathology. This comprehensive expertise enables her to provide invaluable insights into even the most complex cases.

With over two decades of experience, Dr. Paine has made significant contributions to the field of pathology. Beyond her clinical roles, she actively engages in leadership activities, making notable contributions to tumor boards and sharing knowledge through lectures to medical and laboratory science students.

Dr. Paine is not only a distinguished professional but also a compassionate individual. She took a hiatus from her medical career to raise four children, further exemplifying her commitment to both family and medicine. Dr. Jordana Paine continues to leave a lasting impact, offering precise diagnoses, advancing medical understanding, and providing compassionate patient care.
