

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and sub-specialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

SCOTT DALTON, DO

Board-Certified Dermatologist & Dermatopathologist

Dr. Scott Dalton is board certified in dermatology, dermatopathology, and anatomic/clinical pathology by The American Board of Dermatology and The American Board of Pathology. He completed his dermatology residency at Geisinger Medical Center and his dermatopathology fellowship with Tim McCalmont and Phillip LeBoit at the University of California San Francisco. Following his training, he was deployed to Bagram Air Force Base in Afghanistan and retired from the US Army Medical Corps with 20 years of honorable service in dermatology and dermatopathology.

During his military service, he completed a civilian-sponsored residency in dermatology at Geisinger Medical Center in Danville, PA. Upon his return from deployment, Dr. Dalton served in the dermatology departments at Brooke Army Medical Center and Wilford Hall Ambulatory Surgical Center as a clinical Dermatologist and Dermatopathologist. Apart from training, he has spent most of his military career in San Antonio and is now practicing at Dermatology San Antonio.

Dr. Dalton practices medical and surgical dermatology as well as dermatopathology. Outside of work, he enjoys spending time with his wife Pamela and their children and playing guitar and golf.
