Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

JASON GREGORIO, MD

Board-Certified Anatomic / Clinical Pathologist

Dr. Jason Gregorio is board certified in anatomical and clinical pathology by the American Board of Pathology. He received a degree in Chemistry from Cornell University and attended medical school at St. George's University in Grenada, West Indies. He completed his AP/CP residency at the University of Texas Medical Branch in Galveston, and a surgical pathology fellowship at Washington University in St. Louis, with concentrations in gastrointestinal, urologic, and gynecological pathology.

After completing his fellowship, Dr. Gregorio joined Sagis as a Surgical Pathologist in 2012. In addition to his surgical pathology responsibilities, Dr. Gregorio is also a Laboratory Director at several clinical pathology laboratories and a plasma center.

Outside of his clinical responsibilities, Dr. Gregorio enjoys playing sports, cooking, traveling, and gardening. However, the thing he enjoys most is spending time relaxing with his wife and two daughters.
