

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

BRYAN GAMMON, MD, MBA, FAAD

Board-Certified Dermatologist and Dermatopathologist

Dr. Bryan Gammon is board certified in dermatology, dermatopathology, and micrographic dermatologic surgery by the American Board of Dermatology. After earning his medical degree in 2008 from the University of Texas Southwestern in Dallas, he completed his dermatology residency training at Northwestern University in Chicago, IL, serving as Co-Chief Resident. Dr. Gammon then pursued additional sub-specialty training with a dermatopathology Fellowship from Stanford University (Stanford, CA).

Dr. Gammon received an MBA from the University of California Los Angeles – Anderson School of Management in 2017. After his studies, he founded several practices, including Precision Dermatopathology, Juniper Dermatology, and Luminous Dermatology.

Dr. Gammon's extensive professional experience and training is a welcomed asset to the Sagis team. He holds various honors, awards, and merits and has participated in dozens of peer-review publications, book chapter writings, poster and oral presentations, and lectureships.
