

## OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

**KEAGAN LEE, MD**  
*Partner & Chief Executive Officer*  
*Board-Certified Dermatopathologist*

Dr. Keagan Lee is the CEO and co-founder of Sagis, PLLC, a physician-owned multispecialty diagnostic pathology laboratory headquartered in Houston, Texas. Notably, Sagis has garnered recognition as one of the foremost pathology laboratories of considerable scale within the United States.

Dr. Lee has researched various topics, including melanoma, Merkel cell carcinoma, and sarcoma. His contributions have graced the pages of esteemed pathology journals, including *Clinical Cancer Research* and the *American Journal of Dermatopathology*. Beyond his scholarly endeavors, he holds esteemed positions as an Assistant Clinical Professor at the University of Texas Health Science Center in San Antonio and Texas A&M University College of Medicine. Here, he imparts his expertise in dermatopathology to aspiring medical students and residents, fostering the next generation of medical professionals.

In addition to his academic roles, Dr. Lee serves as a Delegate to the American Medical Association for the United States and Canadian Academy of Pathology (USCAP). Previously, he served as a Vice Chair for The Dermatology Foundation, a testament to his commitment to advancing dermatological research. Beyond his professional pursuits, Dr. Lee cherishes quality time spent with his family, relishes enriching travel experiences, and finds joy in coaching youth sports.
