

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

NICOLE REUSSER BENDER, MD

Board-Certified Dermatologist and Dermatopathologist

Dr. Nicole Reusser Bender is a board-certified dermatologist and dermatopathologist with a distinguished background in clinical care, research, and education. In 2015 she earned her medical degree from the University of Texas Health Science Center at Houston, with a scholarly concentration in Nanomedicine and Biomedical Engineering. She completed her internal medicine internship and dermatology residency at the Medical College of Wisconsin, where she served as Chief Resident from 2018-2019.

Dr. Bender was an Adjunct Assistant Professor at the University of Florida Department of Dermatology, leading the inpatient dermatology consult service and supporting resident education. She then completed her dermatopathology fellowship with the University of Florida. Dr. Bender has conducted and participated in extensive research over the last decade, including publishing various basic science and clinical study articles as well as review articles and textbook chapters.
