

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

JENNIFER VICKERS, MD

Board-Certified Dermatologist & Dermatopathologist

Dr. Jennifer Vickers is board certified in dermatology by the American Board of Dermatology and dermatopathology by the American Board of Dermatology and the American Board of Pathology. She completed her medical degree at the University of Texas Medical Branch at Galveston, followed by her dermatology training at New York Medical College and her fellowship in dermatopathology at the Montefiore Medical Center/Albert Einstein College in the Bronx.

After completing her training, she returned to Austin. She served as an attending physician and Assistant Professor with the Division of Dermatology at Dell Medical School at the University of Texas at Austin, where she oversaw the dermatopathology curriculum.

Dr. Vickers has participated in research involving technology to aid skin cancer diagnosis and has published articles in several peer-reviewed journals, including the New England Journal of Medicine, the Journal of Cutaneous Pathology, and the Journal of the American Academy of Dermatology.

She lives in Austin with her two daughters and husband, who has been a firefighter in Austin for over 20 years.
