

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

KEAGAN LEE, MD

***Partner & Chief Executive Officer
Board-Certified Dermatopathologist***

Dr. Keagan Lee is CEO and co-founder of Sagis, PLLC, a physician-owned multispecialty pathology laboratory headquartered in Houston, Texas. Sagis is one of the largest independent pathology laboratories in the United States.

Dr. Lee's research spans melanoma, Merkel cell carcinoma, and sarcoma, published in journals including *Clinical Cancer Research* and the *American Journal of Dermatopathology*. He is an Assistant Clinical Professor at UT Health San Antonio and Texas A&M University College of Medicine, where he teaches dermatopathology to medical students and residents.

He previously served as a Delegate to the American Medical Association for the United States and Canadian Academy of Pathology (USCAP) and as Vice Chair of The Dermatology Foundation. Outside of work, he enjoys spending time with his family, traveling, and coaching youth sports.
