

OUR FOCUS, YOUR DIAGNOSIS.

Sagis is committed to delivering the highest quality individualized diagnostic services to our physician clients and patients. Our board-certified and subspecialty trained pathologists employ their expertise to ensure the most accurate diagnosis is delivered quickly in clear and concise reports. Our expertise, coupled with the latest diagnostic tools, forms the core of our commitment to quality and excellence.

GHASSAN ALSALEH, MD, MSC, FCAP

***Associate Director of Surgical Pathology and Cytopathology
Board-Certified AP/CP & Cytopathologist***

Dr. Ghassan Alsaleh (formerly Dr. Ghassan Tranesh) is a board-certified pathologist with subspecialty certifications in Anatomic and Clinical Pathology, Cytopathology, and Dermatopathology (EUMS-ISDP).

He earned his medical degree with honors from the University of Zawia and went on to obtain a Master of Science in Molecular Pathology from The Ohio State University. He completed rigorous training in pathology through residency at Ascension St. John Hospital in Detroit, followed by prestigious fellowships in Surgical Pathology at the Mayo Clinic and Cytopathology at the University of California San Diego.

Dr. Alsaleh has established diagnostic expertise across a broad range of subspecialties, including head and neck, breast, gastrointestinal, gynecologic, soft tissue, and skin pathology. Known for his precision and depth of knowledge, he contributes to complex diagnostic evaluations and multidisciplinary care.

In addition to his clinical work, Dr. Alsaleh is passionately committed to global medical education. He serves as a visiting professor for multiple Libyan medical schools, where he mentors future generations of physicians and pathologists.

Outside of medicine, he enjoys traveling, reading novels, and playing chess. He is a proud father of three boys and shares his love for pathology with his wife, who is also a pathologist.
